Bake with Boxtops!

The semi-annual Boxtops collection drive has begun!

All Boxtops located on food products and other household are worth 10 cents for our school. All classes will compete in a friendly competition and whichever classroom turns in the most will receive a special treat from the PTA. To participate, please gather all of your Boxtops and place them in a clear plastic bag or envelope labeled with the name of your student and his/her teacher. **Boxtops will be collected from the front office collection bin on December 18th.** All Boxtops have an expiration date so please discard any expired ones. Also, if you have any Bonus BoxTops or E-Boxtops you may turn those in too.

If you have any questions about this drive please email boxtops@reedpta.com.

Project Green Thumb

We have been busy doing the third garden lesson of the year on Plant Parts and the life cycle of different types of plants. The students helped plant various seeds in small pots in their classroom to watch them sprout or germinate. The plants will be transplanted into the garden beds before our winter break. The students were able to taste lettuce and radishes from our garden as well. It has been fun to see the students' excitement when they are out in the garden exploring the plants that are growing and using vocabulary words like pollination and germination. Thank you to our wonderful volunteers helping teach the lessons and the support of our PTA for the program! We will have our next training session Monday, December 14th, right after morning announcements.
